

**Model Block Cutter**

**Model TKC-350**

**BLOCK**

- Ideal for cutting brick and sand blocks to size.
- Sturdy body with long lasting carbon steel cutting blade.
- Accurate with minimum wastage.
- Mounted on wheels for easy mobility.
- 16" blade for most cutting sizes.

**TKC-350**

- Use to easily cut old/green concrete and asphalt.
- High quality diamond blade for superior cutting performance.
- Air-cooled 4-cycle petrol engine for operational efficiency.
- Handle rotation driving method.

## Specifications

### Cutting Capabilities & Technical Data

|                                | Model TKC-350                               |
|--------------------------------|---|
| <b>Cutting Depth (maximum)</b> | 110 mm                                      |
| <b>Water Tank Capacity</b>     | 25 Litres                                   |
| <b>Blade Size</b>              | 12 - 16 Inch                                |
| <b>Depth Adjustment Method</b> | Manual lifting screw system                 |
| <b>Engine</b>                  | EH27 Robin Petrol, 9.0 HP, 3600 rpm, recoil |
| <b>Weight</b>                  | 100 Kg                                      |
| <b>Dimensions (mm)</b>         | 1,530 x 600 x 960                           |
